

Dustfree Cleaning and Support Services
The Professional Choice

dustfree ✓

Setting a shining example since 1981

“Because of the professional approach to the work, displayed by both management and cleaning staff, the contract for cleaning an additional office block, which we recently purchased, was placed with them.

I would not hesitate in recommending Dustfree to any prospective clients”

*David Washington, Finance Manager
National Union of Journalists*

“Their performance has proven extremely reliable. Attention to detail is of the highest standard and they are approachable, trustworthy and available”

Rona McDonald, AtisReal

{ Our Pride.

Formed in 1981, Dustfree Cleaning and Support Services offer over 25 years of specialised experience catering for all your cleaning needs. Whatever the size of your business we'll carry out an unbeatable service.

We take great pride in everything we do, which is why we are one of the few companies to have been trained by Prochem Europe and attained membership to both BICS, Guild of Master Craftsmen and Safe Contractor.

All 250 of our staff are fully trained in all aspects of modern cleaning and meet every health and safety, COSHH and Electricity at Work requirements.

The use of quality cleaning materials and the latest equipment, combined with a focused work practice and positive attitude towards professional cleaning, ensures our clients receive the quality service they deserve and continue to allow Dustfree to support all their cleaning needs.

“Their performance was exceptional”

{ Our Services. *With over 25 years experience serving within the M25 and beyond, we offer a versatile, professional approach to clients' specific cleaning requirements.*

Our services include:

Office Cleaning We supply complete contract cleaning services 24 hours a day, 7 days a week to offices, companies and the public sector. Our staff will visit your site and consult with you to determine specific requirements in order to provide a first class service that is personal to you and your business - however large or small. To monitor and maintain the high services that are expected from us we ensure that our management team visit all sites on a regular basis.

Window Cleaning In addition to traditional domestic window cleaning, we also offers the Reach & Wash system for commercial properties. We have found this method to be extremely effective and of an excellent standard. With safety in mind, it allows us to clean windows up to 65ft from ground level. This system also allows conservatory roofs and other such inaccessible sites to be professionally cleaned. We are also pleased to offer all access cleaning, including innovative abseiling services.

Carpet and Upholstery All our operatives are fully trained in the use of Host & Prochem machines and are experienced in dealing with deep soiling and unwanted odors on all types of fibres. Not only do we clean and maintain carpets to the highest standard, we also offer professional cleaning on all upholstery; from sofas, banquettes to footstools. Chemical protection of fabrics is also available.

Floor Cleaning With such a variety of modern floor coverings, our staff are fully trained to use the latest technical appliances such as rotary high and low speed machines, scrubber dryers and Roto wash machines. With our long standing history of caring for floors, we can undertake the cleaning of natural stone, stripping and re-sanding of halls, pubs, auditoriums and all kinds of flooring that sustain heavy wear.

Waste Removal and Recycling Our team are happy to undertake the removal and recycling of all types of waste and refuse.

Wash Rooms We offer a complete product range for washrooms including paper, soap, bins and dryers.
